

Northeimer, Inc. Purchasing Standard Terms and Conditions

1. Northeimer, Inc. reserves the right of final approval of product, procedures, processes and equipment.
2. All special processes required by this PO must be performed by qualified personnel.
3. Northeimer, Inc. reserves the right to review and approve the Vendors Quality Management System. Standard QMS Requirements include:
 - a. Vendors providing special processing must maintain a system for validating processes.
 - b. Customer Directed sources must operate in accordance with approved specifications and standards as dictated and controlled by the customer in question.
 - c. Suppliers initially approved for use via Certification (ISO, AS9100, ISO 17025, AS9120, etc.) must notify Northeimer, Inc. of any changes to that certification.
4. The Vendor shall maintain the proper identification and revision status of specifications, drawings, process requirements, inspection/verification instructions and other relevant technical data.
5. Northeimer, Inc. reserves the right to approve or specify any designs, tests, inspection plans, verifications, use of statistical techniques for product acceptance, and any applicable critical items including key characteristics.
6. Northeimer, Inc. reserves the right to designate requirements for test specimens for design approval, inspection/verification, investigation or auditing.
7. The Vendor is required to:
 - a. Notify Northeimer, Inc. of nonconforming product.
 - b. Obtain Northeimer, Inc. approval for nonconforming product disposition.
 - c. Notify Northeimer, Inc. of changes in product and/or process, changes of suppliers, and changes of manufacturing facility locations.
 - d. Flow down to the supply chain the applicable requirements including customer requirements.
8. The Vendor is required to supply product that has a remaining shelf life of at least 75% of original life as of the date of shipment.
9. The Vendor is required to retain all Records associated with the Purchase Order for 7 (seven) years or as required by contract.
10. Right of access by Northeimer, Inc., our customer and regulatory authorities of the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all applicable records.
11. All vendors providing Calibration Services must be Certified ISO17025 (or equivalent). All Calibration Certificates must identify standards used and must be traceable to NIST (National Institutes of Standards Technology).
12. Seller shall provide a proper Bill of Lading signed by Carrier, or any other legally applicable documents providing title to the goods to Purchaser upon delivery, fully protecting all parties in case of damages in transit. All cost incurred due to improper packing will be paid by Seller.
13. Certification of Materials and/or Process performed must accompany materials/parts received. Invoice will be aged for payment based on date Certification(s) is received.
14. Far Clause 52.246.2 and 52.203-7 are hereby invoked.
15. Any disputes arising out of any Contract issued pursuant to the Terms and Conditions shall be interpreted in accordance with and governed by the Laws of the State of Pennsylvania, USA.
